

MAC GRANTS & SERVICES

Artist's Innovation Awards

The Montana Arts Council launched this awards program to honor the innovative ideas, practices and the contributions of Montana artists. This application can only be completed online at art.mt.gov. The next application deadline will be announced in 2015.

Artist in Schools and Communities FY16 Grant Cycle Opens

The Montana Arts Council strives to provide access to quality arts learning to develop the creative potential of Montanans of all ages. Towards that end, the Artists in Schools and Communities program provides matching funds of up to \$10,000 that support a wide range of arts learning experiences and artist residencies for participants of all ages with professional working artists, as well as other special projects that support arts learning in schools and community settings. The deadline for AISC FY16 grants \$1,500 and over has passed.

MAC is accepting applications for FY16 grant requests under \$1500. These grants will be distributed on a first-come, first-served basis, pending availability of funding. Guidelines for the FY16 Artists in Schools and Communities program are available on the MAC website for projects beginning July 1, 2015 through June 30, 2016.

Grants must be matched 1:1 with other funds (MAC will provide a 2:1 match for first-time applicants, Class C schools, or small rural schools supervised by a county superintendent). For complete guidelines, please see our website. To discuss an idea for a potential arts learning project for your school or community, contact Emily Kohring, Director of Arts Education, at (406) 444-6522 or email ekohring@mt.gov.

Arts Education Artist Registry

The Arts Education program supports a wide range of residencies by professional working artists and local or regional arts organizations (touring or locally based). Activities are hands-on and process-oriented. The artist must be able to clearly communicate the concepts and skills of the chosen art form and relate well to people in a variety of educational settings.

Deadlines are ongoing. To apply visit MAC's website at <http://art.mt.gov> or call 406-444-6522.

Cultural and Aesthetic Project Grants

In 1975, the Montana Legislature set aside a percentage of the Coal Tax to restore murals in the Capitol and support other cultural and aesthetic

projects. Grant funds are derived from the interest earned on this Cultural Trust.

Any person, association, group or governmental agency may apply. Requirements include a 1:1 match in cash or in-kind goods and services for Special Projects Under \$4,500, Special Projects and Operational Support. Capital expenditures require a 3:1 match of cash or in-kind goods and services. This application can only be completed online – go to MAC's website at <http://art.mt.gov>. The application deadline is Aug. 1, 2016 for FY 2018-2019.

Montana's Circle of American Masters

Montana's Circle of American Masters in Visual Folk and Traditional Arts celebrates the contributions of Montana's master artists. A member of Montana's Circle of American Masters is a person who, throughout their lifetime of work in the traditional arts, has created a notable body of work. Of significant cultural and artistic stature, their work is representative of the historic, traditional and innovative arts and handcrafts distinctive to the state and is worthy of note on both a state and national level. Deadlines for this program are ongoing. For nomination materials, visit the MAC website at http://art.mt.gov/artists/artists_masters.asp or contact Sheri Jarvis at sherijarvis@mt.gov or by phone at 406-865-0884.

Public Value Partnerships

The Montana Arts Council is pleased to continue operating support grants for Montana non-profit arts organizations under a program titled Public Value Partnerships. Public value partners are defined as organizations making a positive difference in the individual and collective lives of the citizens of the state through the arts, and worthy of state investment. These grants fund Montana non-profit arts organizations who have had their 501(c)(3) status for a minimum of five years and at least a half-time paid staff member. Guidelines are available on the MAC website. Visit <http://art.mt.gov> for more information.

Strategic Investment Grants for the Arts

Strategic Investment Grants for the Arts are given throughout the year to provide funds for:

- Training and Network Development opportunities that help build art skills, healthy arts careers and businesses.
- Market Expansion to help increase exposure and improve marketing or promotion, opportunities for exhibition or performance and sales.
- Public Outreach Arts Activities for ongoing

and one-time arts activities by arts organizations and artists that help firmly anchor the arts in the greater community.

- Challenges and Emergencies to provide assistance for artists or arts organizations experiencing catastrophic-level emergencies that threaten

their ability to continue their work, and demand prompt and immediate attention.

Artists, 501(c)(3) arts organizations and Preschool-12 teachers are eligible to apply. 1:1 matching grants are available up to \$1,000 and decisions will be dictated by the availability of funds and the nature of the requests. Awards are made directly by the council and applications are reviewed monthly.

This application can only be completed online – go to MAC's website at <http://art.mt.gov>. The application deadline is the 15th of the month (or first business day after the 15th if that falls on a weekend). Grant funding for Fiscal Year 2015 is almost fully depleted. Please contact staff before applying to determine if funds are available.

Montana Artrepreneur Program (MAP)

MAP, a workforce development program for Market Ready Certification, helps artists map a sustainable future by aiding them in preparing the tools they need for a wider market place and to build a successful business in art.

MAP connects regional groups of artists with learning opportunities like workshops, mentorships, internships, and studio-based work. The cohorts commit to monthly meetings to work on developing tools to become market ready. Each cohort is guided by a certified MAP coach and receives information and guidance from the MAP program director. The monthly meetings provide an opportunity to bring samples of artwork, discuss problems, and share recent successes.
